

Description

well balanced
of bitterness and
spice, a robust
oil with lingering
green notes

Calabrian 100% Extra Virgin Olive Oil features both a balance of green bitterness and spice, making it one of our most robust olive oils in our line-up. This fresh EVOO is made using the indigenous Dolce di Rossano varietal of olive. Dolce di Rossano is lesser known and comes from the Calabria region on southern Italy.

Uses & Highlights

- Similar to our robust Coratina EVOO, Calabrian 100% Extra Virgin Olive Oil will add great flavor to salads, and it will hold that flavor when used in tomato and heavier sauces.
- It is a must for drizzling on steaks, chops, and roasts, and is also a great robust bread dipping oil.

- If you enjoy a robust olive fruit flavor, this is a must have EVOO in your kitchen.
