

Cilantro & Red Onion Olive Oil

Description

Cilantro & Red Onion Olive Oil is a perfect accompaniment for Latin, Asian and Middle Eastern dishes. This is a very well balanced but mild oil with sweet onion flavor and a hint of Cilantro. The flavors are subtle, and this oil should generally be used as salad or topping oil. The mild flavors will be diminished under most cooking conditions.

Uses & Highlights

- This Olive Tap limited edition oil is especially delicious drizzled on roasted vegetables and freshly grilled corn.
- It is an excellent topping for fish and chicken and is well suited as a flank or skirt steak marinade.
- The producer likes it for Tacos, Guacamole, Salsas, Chili and Rice.
- You'll love it on salads, especially paired with our Sicilian Lemon, Serrano Pepper Honey, Mango and other White Balsamic Vinegars.
