

## Description

Harvested in May of 2023. This is a new olive variety for The Olive Tap. Criolla 100% Extra Virgin Olive Oil is an excellent, robust, early-harvest, green olive oil that is very well balanced with strong fruitiness and medium bitterness. It is incredibly fresh tasting with very floral, herbal, and berry-like aromas.

This oil has a pleasant nuttiness of fresh almonds that compliments the solid green flavors of fresh-cut grass, mint, and cinnamon. The Criolla finishes with an aftertaste of black pepper and chili pepper.

## Uses & Highlights

- This is a very high polyphenol Extra Virgin Olive Oil at 688.
- Roasting vegetables, finishing soups, whole-grain salads, pasta, bread dipping, or finishing grilled fish.
