

## Description

Estate grown Arbequina olives were handpicked and immediately pressed to produce this rare, rich and creamy, brilliant green olive oil. Fresh from the mill to our tanks in a matter of days, it is unfiltered and can be cloudy. Featuring a fresh, green and grassy flavor profile, this oil is intensely fruity and finishes with a high polyphenol, peppery kick. Olio Nuovo is for connoisseurs, foodies, and anyone who appreciates super fresh EVOO!
