

Description

Clearly this is one of our most popular oils of all time at The Olive Tap. Our multi Award Winning producer combines a premium Extra Virgin Olive Oil with the flavor of luscious roasted garlic. The result is a more natural and pleasant Garlic flavor, without the bite and harsh aftertaste of raw Garlic.

Uses & Highlights

- Garlic flavored olive oil is an excellent all around choice for cooking.
- Try it on salads, for bread dipping, in marinades and wherever a rich buttery garlic flavor is desired.
- We love it on roasted and mashed potatoes and roasted vegetables.

- It produces divine Sautéed Spinach and Garlic Shrimp, and it is a treat served on popcorn topped with grated cheese.
- We can mix it with our Sweet Basil Oil for a customer favorite Garlic-Basil Blend and it can be softened by adding some light EVOO.
