

Sage Olive Oil

Description

This delicious oil has the sweet flavor of fresh sage, combined with the buttery taste of olive oil, giving it an earthy and smooth aroma. A favorite Mediterranean herb, sage brings out the freshness of the foods it is used with.

Try a drizzle directly over your chicken or seafood along with a squeeze of fresh lemon. Use it as an addition to soups and stews, roasting sweet potatoes or to dress up your gnocchi, pasta, ravioli or risotto.

100 ml \$9.00

375 ml \$19.95

750 ml \$37.95
