

Description

Bacon is a hugely popular flavor in the culinary world and now you can get healthy Extra Virgin Olive Oil with a rich, smoky all natural bacon flavor. Compared to rendered bacon grease that is high in saturated fat, The Olive Tap's Smoky Bacon Olive Oil is a heart healthy alternative, exhibiting a lighter texture, perfectly balanced smokiness and a pleasant bacon flavor.

Smoky Bacon is 100% vegetarian! It is not produced on equipment in which animal fat are used. (Contains soy)

Uses & Highlights

- Its flavor opens when it is warmed up and drizzled over top of a spinach salad with hard boiled eggs, grape tomatoes and fresh mozzarella.
- Try it with roasted or fried potatoes or as an accent to some steamed or sautéed vegetables.
- Skip the butter for your next baked potato and enjoy guilt free! Remember, its 120 Calories per Tablespoon, but excellent fat for your diet.
